Guerrilla Attacks Harass Invading Forces

BY UNITED PRESS
Japan swung the full power of her empire into the conquest of China today with appointment of Lieut. Gen. Seishiro Itagaki as war minister.

The South, relays of Japanese airplanes bombed the shattered city of Canton—despite a formal British protest against bombardment of civilians in China and Spain—in an effort to cut railroad lines feeding Chinese armies.

In the central Yangtze valley, Japanese boosted their armed forces to 250,000 in preparation for an attack on the Chinese capital at Hankow, which already is being partially evacuated.

In the North, Japan's 500,000 soldiers recovered from the danger of too rapid advance and opened mass attacks on the Kaifeng defenses after storming the city of Kiksiien. In the Kaifeng-Lanfeng sector along the Lunghai railroad, the Chinese troops fought back bitterly against the invaders' efforts to move Southward toward Hankow.

War Proving Costly
But these powerful and effective military thrusts were still far from the "quick victory" sought by an economically and financially strained Japan. The cost of every gain on the Northern front has been many times greater than anticipated in men and money. And even as the Japanese pounded at Kaifeng, Chinese guerrilla troops began slashing at the invaders' rear bases near Piping, Paotang and

NEW ANTI-GERMAN ACTION PROTESTED

BERLIN, June 3—(UP)—Dr. Ernst Eisenlohr, German minister to Czechoslovakia, has protested to Foreign Minister Kamil Krofta against a new alleged anti-German action, the semi-official D. N. B. news agency reported today.

Reports of the new protest came in conjunction with publication of a list of 47 alleged acts charged to Czechoslovakia between May 1 and June 1, including beatings of minority Germans and German citizens, shootings and frontier violations.

Eisenlohr, the news agency said, "sharply warned the Czech foreign minister concerning the forcible removal of the German flag from the home of a German citizen named Exner and the mistreatment of a German citizen, Scneff."

The Exner incident was said to have occurred at Niederullersdorf. Scneff was said to have been mistreated at Maehrisch-Schoenberg.

The foreign office spokesman said that Eisenlohr made two separate protests.

"The protests were sharply worded but not in a threatening tone," he said. "They did not demand a reply."

He emphasized that Eisenlohr pointed out to the Czechoslovak government that Germany considered such incidents serious.

The so-called "anti-German" acts formed a long list published by the official agency.

BILL TO PERMIT CITIES' TAXATION READY FOR VOTE

COLUMBUS, June 3—(UP)—The house taxation committee by a 14 to 6 vote today reported favorably the Almendinger bill enabling cities to levy for poor relief purposes until July 1, 1939, taxes that may now be imposed only by the state.

It is the intention of house leadership to bring the bill to a vote on the floor this afternoon but the committee action, although favorable, showed clearly the strong opposition to the measure.

Several members voted to put the bill before the house with the expressed understanding to have the full membership decide its fate. A two-thirds vote to suspend the rules will be required to bring the bill up for immediate consideration in the house.

"Passage or defeat of this bill will largely determine the future relief policy of this state," Rep. Samuel Almendinger, D., Marion, author of the bill, told the committee.

"Its purpose is to give self help to cities that have exhausted all other resources. It will be used only as a last resort and can be used only for relief."

Concrete bottoms for the digestion tanks at the city's disposal plant at the rear of the Container Corporation plant are now being poured. Pouring concrete in one has been completed and workmen expect to start on the second Saturday.

Forms are being erected for pouring the walls of the lower floor of the control building. The upper part of the building will be brick. Between 30 and 35 men are employed on the project.

F. D. PUTS OKEH ON FUNDS FOR HOUSING WORK

WASHINGTON, June 3—(UP)—President Roosevelt revealed today that he has approved loans totaling \$57,000,000 for slum clearance projects under the federal housing authority.

The money will go to Allentown, Pa., Baltimore, Birmingham, Ala., Buffalo, Cleveland, Columbus, O., Detroit and Pittsburgh.

Mr. Roosevelt explained that the monthly rent per room on the new projects will range from \$3.75 to \$4.25.

He added that thus far \$357,000,000 has been earmarked for similar projects in a good many cities and that to date loan contracts had been approved involving \$111,000,000.

The president said that housing projects involving approximately \$50,000,000 will be approved each month through the balance of the year.

FUNDS RELIEVE MONEY TROUBLE IN TWO SCHOOLS

Muhlenberg Able To Pay All Salaries; Scioto Still In Debt

OTHERS IN GOOD SHAPE

All Districts Permitted To Borrow Cash

Financial difficulties of two Pickaway county school districts were greatly relieved Friday in a distribution of funds by the state department of education.

Muhlenberg township's teachers, bus drivers and all bills will be paid in full through the distribution, Joe McKinley, clerk of the township board, said. Salaries for one month were due employees at the close of the school term and payment had to be withheld until the distribution fund was received.

Another district facing financial difficulty is Scioto township. Salaries for about three months are due school employees. The distribution will cover about half of the indebtedness.

These two districts were the only ones in the county having financial troubles under the foundation program. All other districts have met salaries. Circleville schools have been able to meet all payrolls.

Borrowing Permitted

Checks were received Friday by the county school office covering an amount equivalent to 50 percent of the Feb. 28 certification. The districts were authorized to borrow an amount equivalent to the full quarterly settlement on May 31.

The new authorization increased the total foundation deficit in the state to \$16,413,000 compared with \$12,000,000 a year ago, Dr. David H. Sutton, school finance director, said. The department of education authorized districts to issue \$10,983,532 in notes in anticipation of the second quarterly allocation.

YOUTHS CONFESS CHECK THEFTS, FACE U. S. JUDGE

Three Laurelvile youths, arrested in connection with the theft of six W. P. A. checks from mail boxes were taken from Logan to Columbus, Friday, by Sheriff Joe Farbeann where they were to be arraigned before a U. S. commissioner.

The youths held are Carl Thompson, 18, Laurelvile; Ray Tisdale, 19, and Beeman Tisdale, 22, brothers, who reside on the Fox road near Laurelvile. Officers said all three of the youths had confessed.

Before removal to Columbus the youths were questioned by John Murphy, secret service agent, and R. C. Alexander of Athens, a postal inspector.

All of the checks had been cashed, three in Chillicothe and three in Columbus.

First checks were reported missing a month ago by Daniel and Ben McNichols of near South Bloomingville. On Friday, May 20, these same two men found that their checks had been stolen again, as did two of their neighbors, Lemuel McNichols and George Hartshorn.

FRENCH COMBAT SYRIAN STRIFE IN PLEBISCITE

PARIS, June 3—(UP)—A state of seige was declared today in the Sandjak of Alexandretta, partly autonomous district of French mandated Syria, as a result of disorders created by Arabs and Turks in the autonomy plebiscite campaign.

Civil authorities will turn over power to military authorities Saturday, it was announced here. The state of seige was declared to "restore calm," it was officially announced.

Delegates Garreau, of the Syrian high commission of France, was recalled by the French foreign office and Captain Quiriu, chief of police, resigned. The secretary of the League of Nations commission left for Geneva by airplane to ask for new instructions.

Chief G-Man Maps Search for Missing Boy

J. EDGAR HOOVER

WILLIE CAMPBELL

J. EDGAR HOOVER, chief of the U. S. G-men, personally is conducting the widespread search for the kidnaped James Bailey Cash, Jr., of Princeton, Fla. He is shown at his desk in temporary headquarters in Miami. Federal agents were joined by hundreds of volunteers in the hunt. Meanwhile, G-men quizzed three persons, among them Willie Campbell, a former federal convict whose divorced wife lives near the spot where the \$10,000 ransom money was paid.

Police notified federal authorities that the four were being detained. Agents of the Federal Bureau of Investigation were expected to arrive here soon to take over the interrogation.

Charges were not filed against the four. Their names were not made known by police.

It was reported that the four were apprehended on the basis of a confidential teletype alarm broadcast to the Jersey City police.

PRINCETON, Fla., June 3—(UP)—The Federal Bureau of Investigation flew new manpower to Florida today to make the search for James Bailey Cash, Jr., and the men who kidnaped him the most intensive drive for a kidnap since the capture of Bruno Richard Hauptman.

A commercial airliner landed at Miami shortly before 7 a. m. and discharged 14 men.

Refusing to answer any questions, the men went directly to the 13th floor suite in downtown Miami where Chief G-Man J. Edgar Hoover personally was directing the tireless search for the men who abducted the five-year-old boy.

The new G-men augmented an already formidable force of federal agents. The big F. B. I. offices in Miami were crowded with the federal officers and many more were in the field.

Neither Hoover nor his aides would hint how many G-men now are working on the case. But it appeared that the federal agents, determined to break the seventh child kidnaping since 1932, were massed in far greater force than in any other recent campaign.

James B. Cash, Sr., the father who vainly paid \$10,000 ransom for the boy, left his home for the first time in two days shortly after 8 a. m. for a quick dash under federal escort to check a report his son's body had been found.

With sirens screaming, the G-men rushed the father to a rock pit near Homestead, where divers had brought up a burlap-wrapped (Continued on Page Two)

TWO AID BILLS FACE CRUCIAL TESTS IN HOUSE

One Would Permit Cities To Levy Taxes, Other Would Loan Money

EMERGENCIES CLAIMED

"Idle" Highway Cash Sought By Seidner

COLUMBUS, June 3—(UP)—Two major relief bills allowing cities to levy taxes now imposed only by the state and to appropriate \$1,000,000 or \$2,000,000 for loans to distressed counties faced crucial tests in the house of representatives today.

House leadership downed movements to bring both plans to the floor yesterday, insisting that final committee action and a vote on the floor be withheld until today.

Facing extremely formidable opposition, the Almendinger bill empowering local subdivisions to enter tax fields now reserved to the state to enable cities to finance their share of relief costs was to be reported to the floor by the taxation committee.

Although its present blanket scope may be restricted, house leaders admitted its chances for approval in any form were slim. This measure has been described as the "keystone" of the program devised by the administration and city officials.

May Be Delayed

The finance committee was to re-laden De-Richter bill with expectation that it would reduce from \$2,000,000 to \$1,000,000 the amount to be appropriated for loans to hard pressed urban centers. There was a possibility that if a prolonged wrangle develops over the Almendinger measure, the loan bill may be put over until tomorrow or Monday.

To be of value both bills must be passed as emergency legislation requiring a two-thirds vote to make them effective immediately. In addition a two-thirds vote is required for suspension of the rules to bring them up for immediate consideration. Even should the Almendinger bill pass the house, its approval in the senate appeared doubtful.

With Davey administration fiscal officers arguing that money for loans is not available from the general revenue fund, some members may propose that loans be financed by transfers from such funds as those of the industrial commission, or the liquor and highway departments.

Anti-Davey legislators charged the administration was attempting to stall off enactment of the loan bill which provides for repayment of advances in six monthly installments from future sales tax allocations.

Unsuccessful efforts were made in the senate yesterday to suspend the rules and pass immediately after introduction of the Boyd-Connally bill to appropriate \$2,000,000 from the general revenue fund for stop-gap loans.

Several other similar bills were introduced including one by Sen. J. Ralph Seidner, D. Mahoning, to appropriate \$5,000,000 from "idle" highway construction funds to be distributed for relief by the state emergency board.

City officials, making no secret of their details of local tax enabling legislation to allow them to impose numerous taxes heretofore reserved to the state, nevertheless claimed the Almendinger bill's passage was essential if cities are to finance a substantial share of their relief costs. The bill would be effective through July 1, 1939.

Must Meet Problem

"If this bill is defeated, it means that it will be up to the state to meet the whole problem," said Earl

POLISH AVIATORS CROSS ATLANTIC, REACH DAKAR

DAKAR, Senegal, June 3.—(UP)—Four Polish fliers made plans to continue their leisurely flight from Los Angeles to Warri yesterday after crossing the Atlantic from Natal, Brazil, in 11 hours and 27 minutes.

The fliers, headed by Maj. Wacław Makowski, general manager of Polish air lines, indicated they intended to continue their flight immediately. They left Los Angeles May 13 and flew to Brazil.

E. Hagerman, Dayton finance director and president of the League of Ohio Municipalities.

A rebellion in the house against leaders' plans to keep the membership in session through today and possibly tomorrow was quelled only after considerable squabbling brought out clearly opposition to the enabling legislation.

Numerous members wanted the bill put to a vote immediately and leaders conceded that had they been successful it would have been killed promptly.

Plans to put the enabling legislation and the loan bill to a test were agreed upon at a closed conference of spokesmen for numerous tax-conscious groups called by Speaker Frank R. Uible. Another conference is scheduled for tonight.

The senate taxation and relief committee began revision of the Nichols administrative bill with indications that power to withhold funds from counties not complying with state regulations will be given to the state auditor rather than to a state relief director. There was some talk of abandoning all plans for a state relief office.

The committee also continued discussion of the Thomas bill to restore the utilities excise tax rate to one percent and extend the levy through 1942. Also under consideration was the Lawrence bill to extend numerous existing taxes through 1940. Both measures provide that local governments may borrow in anticipation of collection.

Seidner Move Falls

Before adjournment yesterday the senate defeated the Seidner resolution asking Governor Davey to make public results of an investigation of the state highway department by his professorial engineering board.

With 19 votes required for passage, the resolution mustered only 17. No opposing votes were cast, but several pro-administration senators refused to vote.

Report That Cash Youth's Body Was Found In Lake Proves False

The bag contained a dog. Cash turned abruptly and silently stepped back into the federal automobile. He shook his head silently when asked whether he still hopes to see his son alive.

Search Continues

Leaving the detective work to the G-men, South Florida began the third day of its inch-by-inch search for the boy or his body. Hundreds were in the first posses that struck out at dawn through the citrus and truck farms, the Everglades and aboard vessels coasting along the keys.

Rain which hampered the search yesterday had ended and the manhunt was in progress under a broiling Florida sun. Possemen suffered acute discomfort as the struggle through the dense subtropical growths steaming after the heavy rain.

With good weather conditions continuing, between 2,500 and 3,000 men—most of them armed—probably will be participating before dark.

Leaders of the manhunt promised that when it is completed, not a South Florida thicket will be unexplored, a pond or cove uninvestigated or a key unvisited.

The agents of the Federal Bureau of Investigation questioned persons in an unending stream in their offices in Miami, 20 miles North of this village which was the scene of the crime, throughout the night.

At all times in the street outside, was an excited crowd intensely moved in each new rumor, readily accepted as fact, that came to it from nowhere. Persons similarly aroused by the strong possibility that the five and a half year old boy had been murdered by the kidnapers who had collected a \$10,000 ransom from his father, were gathered in groups here, muttering over each bit of gossip that came its way.

Leads Followed

From this maze of rumor created by the strict secrecy necessarily maintained by authorities, were some evident facts. The G-men had not solved the crime but were working on leads that they believed would lead to a solution soon. The persons they were questioning were almost all witnesses rather than suspects. Agents took them into custody here and in the surrounding Redlands farming district and took them to Miami where they were interrogated and released. Four men had been held for more than 40 hours. One, a Negro, was a vital witness.

Yesterday the searchers on water explored 251 miles of canals, 175 miles of shore line, and 31 stone pits. Today the flotilla of 65 vessels manned by 500 expert seamen and swimmers, will search the outlying keys. Yesterday the land forces searched practically inch-by-inch, they were so thorough—an area 110 miles North to South and 30 miles East to West.

The G-men supervisors of this informally organized army, passed up nothing in the bits of paper, sticks, stones, and miscellaneous debris which amateur detectives among them found and thought might be of value. In an empty sack, searchers found the residue of what had been milk, in a bottle. The bottle was taken to Miami, like other small objects, for scientific examination.

Prisoner of the G-men was Millard Campbell, 38, now the proprietor of what is known locally

as a "beer joint," but who in 1925 and 1926, before the collapse of the Florida real estate boom, was a big time realty operator worth millions—on paper. Later he tried to recuperate as a rum runner and presently is under indictment on a charge of trying to run arms into Honduras.

Also held were M. F. Braxton, 50, Princeton carpenter, a neighbor and friend of the baby's father who is the prosperous owner of the Princeton general store and six filling stations, and Braxton's son-in-law, Ray Rayburn.

But most important was John Manuel, a Negro, who was not a suspect but a witness. Last Saturday night, a white man who spoke with a slight foreign accent—not uncommon in this section where there are many Cubans and West Indians—asked him to take a note to the baby's father. He refused. Later Cash and his brother, W. P. Cash, called at his shack in the Negro section of Princeton. The kidnapers had left a note on W. P. Cash's door directing him to Manuel's shack for a second note. This note had been slipped under Manuel's door.

Secrecy Preserved

The G-men themselves preserved the most strict secrecy, but witnesses whom they questioned that they had Manuel behind a screen in their offices, listening surreptitiously to each interrogation. Obviously, it seemed to them, the Negro was seeking a voice—the voice that spoke to him Saturday night.

The baby was, almost certainly, dead—beyond the reach of further suffering, but the other victims, his father and mother, remained in the most strict seclusion behind the drawn shades of their apartment. It is very hot in this subtropical climate in June and windows cannot be lowered. Through the shades, they could not but hear, day and night, the excited voices of neighbors and strangers discussing the fate of their baby and what they would do to the kidnapers if and when they found them.

Rewards for the arrest of the kidnapers now totaled \$2,500 offered by Miami Beach, Palm Beach, and Dade county (Miami) authorities and an anonymous citizen.

FOUR COUNTIANS WIN AWARDS AT CAPITAL RITES

Oakley Turner of Atlanta Receives School Citation in Sports, Acting

THREE GIRLS LISTED

Two Get Numerals For Work In Singing, Other Hockey

Four students from Circleville and vicinity, Oakley Turner, Miss Anna Marie Fellmeth, Miss Louise Fischer, and Miss Jessie Dresbach, are among more than 400 students receiving awards for achievement in various extra-curricular activities at Capital university during the annual Award Week.

Each extra-curricular activity that annually receives a grant from the College Board of Activities, also recognizes its individual members by an award which may be a certificate, pin, key, cup, or plaque. Presentations are made for an entire week during the regular daily chapel period.

The biggest division of awards went to those participating in athletics. The musical organizations were next in number. Nearly three-fourths of the student body receives some sort of an award during the course of the week.

Turner is the son of Mr. and Mrs. C. O. Turner, Atlanta. He received the Varsity C award in football, and also the Masquers award for service in the student dramatic organization.

Miss Fellmeth, daughter of Mrs. R. P. Fellmeth, 135 Union Street, received the Masquers award, and also an award for service in the Junior Chapel Choir.

Miss Fischer, daughter of Mr. and Mrs. George A. Fischer, R. F. D. 5, received hockey numerals.

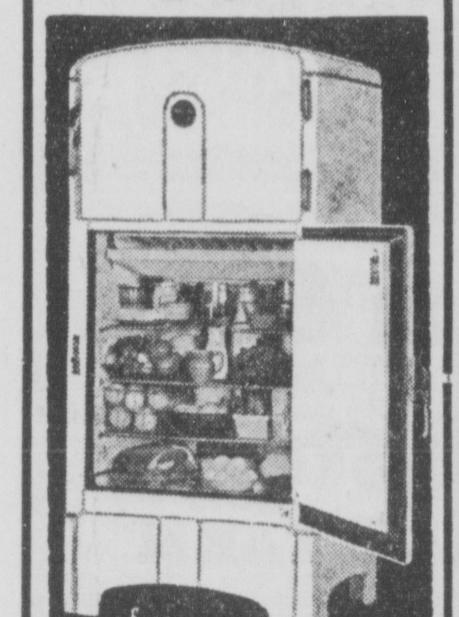

Miss Dresbach, daughter of Mr. and Mrs. Warner L. Dresbach, 495 E. Franklin Street, received the award for service in the Junior Chapel Choir.

Does Remodeling Pay?

BEFORE REMODELING

+\$420 =

Repairs

\$4000
SALE
VALUE

For every dollar invested in remodeling or repairing a home, the owner may reasonably expect it to increase \$2.38 in value. A \$3,000 home normally increases in value to \$4,000 by making \$420 worth of repairs.

FOR EVERY dollar invested in remodeling a home, the owner may expect his property to increase \$2.38 in value. That is the determination of a study just completed by the statistical bureau of the Ohio Association of Retail Lumber Dealers.

The property remodeling survey was made under the supervision of Charles A. Jones, general manager of Home Owners Loan Corporation, and included 1,074 properties reconditioned by H. O. L. C. during fall months last year. Before reconditioning these homes were appraised at \$3,688,920. A total of \$336,930 was spent improving them, after which a reappraisal showed that their value had increased to \$4,489,845.

An average of \$314 was expended per house, with a resulting increase in value of \$747, or a return of \$2.38 per \$1.00 of investment.

With lower prices prevailing for building materials and with financing charges reduced to a severe minimum, 1938 presents the most favorable time to remodel in recent year. Frequently, no down payment at all is required.

Come in and let us explain.

OPEN LETTERS

TO PUMPKIN SHOW DIRECTORS

GENTLEMEN: Elimination of night parades and the dog show from the Pumpkin Show would be good business. Crowds at night make it difficult to handle parades properly and the entry lists have been small in recent years. Last year the Saturday night parade was broken into several sections by crowds, and judging was almost impossible. Operators of the rides and concessions complain about the amount of business the night parades cost them. They contend that when the largest crowds are on the streets they are drawn away from their establishments by lengthy parades. Reducing business of the rides and shows results in lower receipts to the show society, which receives a percentage on admissions. Cost of the dog show last year considering the number of entries and interest shown makes that department one that should be eliminated. Losses on last year's show should convince directors that some reduction in department costs is necessary. The suggestion that an admission charge be made for the horse show, an expensive department, should be given serious consideration. Visitors may be willing to pay a small fee for the horse show.

CIRCUITEER.

TO PICKAWAY COUNTIANS

RURAL RESIDENTS: Announcement that the county book truck will continue to operate throughout the Summer months on the same schedule as used during the school year should be pleasing to rural residents. In addition to the regular school and village stops, visits will be made to other rural centers. These stops will be announced from time to time by Daniel Pfoutz, librarian. The success of the book truck has been outstanding. Every week more rural residents have taken advantage of the service. Watch for the truck's visit in your community.

CIRCUITEER.

TO MOTORISTS

DIVERS: Circleville schools closed today. Hundreds of children are now on vacation. Naturally many of them will be playing in streets and alleys during the Summer months. Circleville has no municipal playgrounds where they will be safe from traffic. Plans for a playground project have been made through W. P. A. but so far it is not under way. Drive carefully and protect those youngsters. They do not think as quickly as an older person. Give them the benefit of any doubt in an emergency. Police are to be complimented on the safe-driving campaign they have conducted. I hope they enforce traffic

regulations more rigidly this Summer, especially on speeders, for the protection of children.

CIRCUITEER.

TO C. F. ZAENGLIN

DEAR SIR: I am sure the watch presented you through contributions from the parents of your music pupils will always remain one of your most cherished possessions. You have performed outstanding service to Circleville schools and the community. Every resident of the city is proud of the fine musical organizations under your direction. I wish you continued success in your work.

CIRCUITEER.

TO TARTLTON RESIDENTS

FRIENDS: Your Memorial Day homecoming was an outstanding success. It is pleasing to know you will continue to hold the event annually. Homecoming creates a spirit of friendship and unity in a community. No other community activity fills that position. Other Pickaway county communities have conducted successful homecomings for many years. There is no reason why the Tarlton event should not continue to grow and create more interest annually.

CIRCUITEER.

TO BAND MOTHERS

FOLK: The effort made by several persons in collecting funds with which to honor C. F. Zaenglein with a gift is commendable. Now, I would suggest that these same persons who did such a good job should try to organize a Band Mothers Club. In many cities the size of Circleville where musical interest is as high as it is here, mothers of band members have organized and are doing much good. Various functions are planned during the year and general interest is kept high throughout the Summer when band and orchestra activities are at a standstill. Such a unit could be formed with very little effort.

CIRCUITEER.

TO WENDELL BOYER

SCHOOL MAN: Congratulations are due to you and to the Deercreek township board of education for your election as superintendent of the Williamsport school. You have made rapid strides in the world of education since you came to Pickaway county, and I believe the Williamsport job is just another step toward even greater success. The Deercreek township school system is rated as one of Pickaway county's best and I hope that your leadership will continue it on its course. The Williamsport board deserves plaudits for appointing you to the position. Washington township has been well-served by your administration.

CIRCUITEER.

TO CITY COUNCIL

OFFICIALS: Several weeks ago when some of you were campaigning against the 10-year street light ordinance, the promise was made that immediate steps would be taken to obtain a boulevard lighting system that would be up-to-date and satisfactory to all. Only once since the referendum was completed has the matter been mentioned in a council session and that was in only a brief suggestion that something be done. You gentlemen who comprise the council know as well as any persons that Circleville's uptown lighting system is not sufficient. Something should be done about it.

IF YOU WOULD ask a political economist what is causing the present renewed unrest in the world, he probably would answer, "Price readjustments."

Every country in the world is feeling it.

The commodity price index in the United States has gone 10 points already this year. It is 35 percent under 1937, 40 percent under 1936. That is a severe readjustment. But some other countries have had it worse—countries that are not wealthy enough to "stabilize" farm prices with huge subsidies.

This readjustment may become increasingly severe during the next several months. Then when prices seem to have reached a "natural" level, buying will make its appearance on an ever-increasing scale—and this will lead us out of the depression, so we are told. But without a "remedy."

EVER A SOLUTION?

Will there ever be a solution? Countries with all forms of government suffer—the richest and the poorest. Yet the solution does lie in politico-economic reform, many of those who have made a study

of it are pointing to the "clearing" of the political scene as the answer. This "solution" is often and easily given is no solution.

Political skies will not clear. They depend upon the socio-economic storms. And those storms will not subside until man recognizes them as something which he cannot dismiss with characteristic phrases, angry mutterings and wars.

LEFTEST TREND?

Many businessmen look for a reaction toward conservatism in the next several months. That, however, rarely is the case when prices decline.

Take a look at farm prices—down 22 percent from last year. Now take a look at labor—see the millions jobless. Those two factors mean a trend to the left in elections.

Businessmen will point to the defeat of C. I. O. candidates in the Pennsylvania primary. But it seems phenomenal that an organization which was not even an entity two years ago polled half a million votes in a state that has been traditionally

conservative.

Doctor Studies Vision of Babies and Animals

By LOGAN CLENDENING, M. D.

A BABY that lies in its crib and rolls its wise-looking little eyes from side to side, appears to be observing this new-found world, but it distinguishes at first nothing but light and darkness. Later, objects, and only after some time, distinct focusing of objects.

Our ideas about a pet animal's world are also likely to be distorted. We assume that his sensory world of vision and hearing is like ours, but it is probably quite different, and the wild animal's

position, have good vision. Those tested included garter snakes, king snakes, ribbon snakes, and rattlesnakes. Their vision is poorest just before shedding their skins and best just after shedding, because the snake's cornea grows opaque as shedding time nears and is sloughed off with the skin.

Turtles, woodchucks, guinea-pigs, rabbits, and gophers have good eyesight. Cats and birds see best of all.

Guinea-pigs and dogs vary greatly from one individual to another. Monkeys could not be tested because they kept peering curiously over the cylinder's top. Rabbits see better than tame rabbits; normally pigmented creatures see better than albinos.

We will be anticipating Dr. Warkentin's report of his work on the vision of human infants.

Entered into the southwest country and in love with a footloose Texan, Ellen Dale, Hollywood screen star, has just decided to purchase an Arizona ranch and to live there.

A few days at the ranch of the wealthy Mexican Montoya family, which extended its hospitality to Ellen and Bill after a very purchased just to see Bill Baron's plain ranching town, had given both the young actress and the Texan a new viewpoint on life.

At Nogales, where Ellen had been staying, she makes her new decision and asks him to manage the ranch she plans to buy. He accepts but is hesitant to speak of his love for her, seeking a position and wealth.

They find the type of ranch they desire in the vast Durango property, 6,000 neglected acres in a beautiful, rugged, mountainous region.

Ellen, who has been to the Durango ranch, is disappointed when Ellen tells him she is going to buy the Durango ranch. Bill is disappointed when Ellen tells him she is going to buy the Durango ranch.

Mrs. Ella Hornbeck Heads Garden Club

Dinner Meeting Conducted Thursday

Mrs. Ella Hornbeck was chosen president of the Pickaway County Garden club at a dinner session, Thursday evening. The slate for the coming year includes Mrs. T. O. Gilliland, vice president; Mrs. Howard Jones, historian; Mrs. G. G. Campbell, secretary; Mrs. Donald H. Watt, treasurer and Miss Mary Wilder, librarian.

The meeting attended by 35 club members was held at the Wardell party home. Table decorations of pansies, roses and baby breath were furnished and arranged by Mrs. Glenn Nickerson and Mrs. Mack Noggle.

Mrs. F. K. Blair, president, conducted the business meeting and after the election of officers plans were discussed for Summer trips through the hill sections of this and nearby counties. Informal talks were made by members who attended the recent flower show sponsored by the Chillicothe garden clubs.

It was decided to have open air meetings during the Summer months. The newly elected officers will take their places at the September meeting.

Mrs. H. A. Sayre, Mrs. Nickerson and Miss Florence Dunton were members of the committee in charge of the pleasant affair.

Marriage Announced

Announcement has been received of the marriage of Miss Mary L. Dresbach of Circleville to Mr. Ralph W. Spence of Urbana. The ceremony was performed December 29, 1937 by the Rev. C. J. Croxall of the First Methodist Episcopal church, Richmond, Ind.

Those witnessing the ceremony were Mr. and Mrs. Harry H. Dohner and Miss Ann Gay of West Milton, friends of Mr. and Mrs. Spence.

Mr. and Mrs. Spence are making their home at 114 W. Ward street, Urbana.

U. B. Missionary Society

The Women's Missionary society of the Brethren church held an interesting session Thursday afternoon in the community house. It was opened with a short business period in charge of Mrs. J. H. Trimmer, president. Miss Viola Woolever was program leader, her subject being, "Rebuilding the Rural Church in America".

The devotions in charge of Mrs. Charles Richardson and Miss Nelle McCollister were concluded with group singing. A poem, "Our Country Church", was given by Mrs. Trimmer. The last chapter of the study book "Rural America" was read by Mrs. M. C. Kirkwood, the topic being "Rural Groups with Special Needs." Mrs. A. H. Morris was program leader, her subject being, "Rebuilding the Rural Church in America".

A brief resume of the recent Missionary convention in Westerville was given by Mrs. Ralph Long.

The next meeting of the organization will include a picnic supper at the home of Mrs. Morris, Circleville township, July 7. Mrs. T. C. Harper will be program leader at this session.

Crumley-Dawson Wedding

Members of the immediate families and the attendants, Miss Madge Dawson, sister of the bride, and Mr. Forrest H. Claypool of Chillicothe were present for the wedding, Wednesday, when Miss Edna Marguerite Dawson became the bride of Dr. Harold Melvin Crumley. The ceremony was performed by Dr. P. B. Ferris of the First Presbyterian church of Chillicothe at 3 o'clock in the afternoon at the home of the bride's parents, Mr. and Mrs. Charles Dawson of Clarksburg, the vows being exchanged before the living room mantel banked with garden flow-

ers following the traditional banquet, Saturday June 18.

James Courtright is president of the association and Mrs. Paul Cromley is secretary. Mr. Courtright has appointed the following committees to arrange the social affair: Miss Elizabeth Hedges and Gerald Millar, music; Miss Hedges, Mrs. Cromley and Mrs. William Fischer, Jr., invitations; Mrs. Helen Cromley, Miss Annabelle Petty, Mrs. Ernestine Jones and Mrs. C. J. Rockey, tables. The dinner will be served by the members of the Parent-Teacher association.

Bridge Club Meets

Mrs. T. P. Brown joined the club members for the afternoon when Mrs. Wallace Crist entertained her club, Thursday. Prizes were won by Miss Mary Heffner and Mrs. T. O. Gilliland. Mrs. Crist served light refreshments at the close of the games.

Jolly Time Club

All members were present Thursday when Mrs. Fred Fitzpatrick was hostess to the Jolly Time club at her home in E. Main street. Mrs. David Goldsmith was a guest for the afternoon. Mrs. F. E. Heraldson received a prize in the game played after the hour of sewing. Mrs. George Bennett assisted Mrs. Fitzpatrick in serving lunch at the close of the afternoon.

Mrs. Heraldson of N. Scioto street will entertain the next meeting of the club, Wednesday, July 6. The club will meet the first Wednesday in each month during the Summer season.

Mrs. Thomas Hostess

Mrs. Alfred Thomas was hostess to the members of her bridge club Thursday, Mrs. Austin Dowden joining the players for the afternoon. When scores were tallied at the close of the games, prizes were won by Mrs. Robert H. Terhune, Mrs. Dowden and Mrs. R. C. McAlister. Light refreshments were served by Mrs. Thomas at the close of the afternoon.

Steak Supper

Mrs. John Blosser, E. Mound street, entertained several friends at a steak supper Thursday evening honoring Miss Jeanne Crowe of Duvall, whose marriage to Mr. Archie E. Shea of New York City will take place, Saturday.

The informal affair was held at the Courtright-Blosser cabin, and the guest list included Miss Martha Virginia Mader, Miss Margaret Hunsicker, Miss Mary Margaret Moore, Miss Harriet Mason, Arthur Phillips, Sheldon Mader, Circleville Miss Helen Jordan, Hugh Cartwright, Orson Patrick of Columbus, Miss Crowe and Mr. Shea.

Two Methodist Societies Select Their Officers

Two organizations of the Methodist Episcopal church elected officers at the monthly church day, Thursday. The slate chosen by the Ladies' Aid society includes Mrs. G. H. Adkins, president; Mrs. Clarence Hott, vice president; Mrs. G. D. Phillips, secretary and Miss Marlene Howard, treasurer.

Officers of the Women's Home Missionary society include Mrs. Frank Barnhill, president; Mrs. C. C. Watts, first vice president; Mrs. G. H. Adkins, second vice president; Mrs. C. D. Closson, third vice president; Mrs. Emmett W. Barnhart, recording secretary; Mrs. Harry Smith, Mrs. Alfred Lee, corresponding secretary.

The meetings of the day were opened at 10 o'clock in the morning with the session of the Foreign Missionary society. After a hymn sung by the group, Mrs. Charles Gerhardt gave the Stewardship reading. Miss Elizabeth Renick told of the work of two missionaries, Miss Hess of Korea and Miss Russell of Japan.

The International Missionary Conference, which is to be held in Madras, India, was discussed by Mrs. George Marion and Miss Anna Grimes.

Mrs. Frank Kline sang a solo accompanied at the piano by Mrs. Leon Van Vliet.

Mrs. John Dunlap, Sr., of near Williamsport, president of the W. F. M. S. of the Chillicothe district, was guest speaker. She talked on the general work of the society, speaking especially of China and of the 70th anniversary of the society's founding which will be celebrated next year.

Mrs. W. T. Ulm read reports of the work of missionaries in China and Japan. The mystery box questions were asked by Miss Sylvia Brunner.

Lunch was served to 50 by members of the third division of the Ladies' Aid society. Following the noon hour, the business session of the society was held at 1 o'clock. Officers were elected at this time, taking their places in September. This will be the last regular meeting of the societies until Fall.

The Women's Home Missionary society convened at 1:30 o'clock with Mrs. Barnhill in the chair. Miss Mattie Gearhart was in charge of the devotionals, the theme, "Paul's last journey to Jerusalem".

After the business and election of officers the standing committees and secretaries for the year were appointed including Mrs. J. P. Rankin, Mrs. W. S. Gearhart and Mrs. Clarence Barnhart, membership; Mrs. G. H. Adkins, secretary of Christian citizenship; Miss Mattie Gearhart, secretary of supply and missionary education; Mrs. Fred R. Nicholas, spiritual life secretary; Mrs. C. C. Watts, thankoffering secretary; Mrs. Herman Sayre, Lenten secretary; Mrs. Virgil M. Cress, leader of the Queen Esther society with Mrs. Clarence Hott, assistant; Mrs. Van Vliet and Mrs. Lee, membership committee; Mrs. Lee, Mrs. Gearhart and Miss Estelle Grimes, group leaders; Miss Grimes, Mrs. Smith, and Mrs. Nicholas, program and calendar committee.

Miss Estelle Grimes was program leader and the first part of the program was given by twelve members of the Home Guards. A

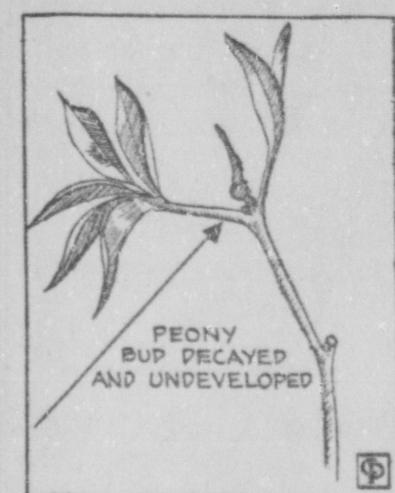

steak supper was served at the wedding of Miss Wilma Cohen of Columbus and Mr. Richard Holmes which took place in the Indianola Methodist Episcopal church, Thursday evening.

Miss Ann Denman, their daughter, was one of the bridesmaids.

The next meeting of the organization will include a picnic supper at the home of Mrs. Morris, Circleville township, July 7. Mrs. T. C. Harper will be program leader at this session.

TODAY'S GARDEN-GRAF

PEONY BUD DECAYED AND UNDEVELOPED

Peony precaution

PERHAPS YOU have noticed that some of your peony buds have developed as they should, but others not only have not grown, but instead have turned brown.

This condition is known as peony decay, and such decayed buds should be removed immediately. This Garden-Graph illustrates the appearance of a decayed bud on a peony. When cutting off a decayed bud, take some of the foliage. In fact, it is a good precaution to cut the stalk back eight or ten inches.

Do not neglect to burn the decayed buds, otherwise the disease will infect other nearby peony plants, where it will live over winter.

For more information, see the "Peony Precaution" on page two.

fed. Also see that the plants are given an abundance of water after feeding so that they can assimilate the food.

Tiny pipings of black patent leather are used on dressy wine suede shoes for daytime wear.

LOT OF HULLED PEAS TAKEN TO ASHVILLE PLANT

Boiler, Other Machinery Being Tested For Year's Work

MORE NOTES OF NEWS

Meeting Called On Monday To Discuss Celebration

By S. D. FRIDLEY

If any hard luck comes along to the pea cannery or to any of the many helpers on the job, it can't be blamed on "Friday" because we put one over on this hard luck day and made a good start Thursday afternoon and evening. A fine and choice lot, to us, of hulled peas was brought up, from the Circleville viner and is being canned here as a start to test out the many parts of the machinery.

The new boiler installed this last Winter and early spring is showing itself equal to the task of supplying an abundance of live steam and the peas put into the cans this time will stay put. And the old reliable engineer, Prince Moore, is back on the job again and as dependable as ever. George Duvall is another "old timer" with the cannery for years and years and knows every inch of the place all the way through. There may be others who have been there equally long with Prince and George but we don't happen to have them in mind.

Said that they had but a few of this kind and there was no cure for them that they knew of except to "just let 'em snort it out". "We don't talk back and they soon get tired talking to themselves and cool off. But there are a lot of nice, considerate people even at that," they said and went on saying "Number, number".

Convicted Men Proved Innocent

CONVICTED of bank robberies in the Midwest and sentenced to long terms in prison, three inmates of the Kansas penitentiary at Lansing have been proved innocent and soon will walk out of prison free men. Two others, Ernest McCarthy and Harry Korter, arrested following the robbery of an Imogene, Kas., bank, have confessed they committed the crimes for which the three men, left to right, Lester Persinger, Melvin Ledbetter and Pete Rafferty, are serving prison terms. A fourth innocent man, Joseph Murray, serving a bank robbery term in the Nebraska state penitentiary, already has been freed as a result of the confessions of McCarthy and Korter. In Kansas, freedom cannot be obtained immediately because of a statute which requires that prisoners seeking executive clemency must advertise the fact for five weeks before the governor may grant a pardon.

Personal Devotion to Christ

"BRASS TACKS" ON THE SUNDAY SCHOOL LESSON

By DR. ALVIN E. BELL

(The International Uniform Lesson on the above topic for June 5 is Mark 14:3-11, 27-31, the Golden Text being Mark 14:8, "She hath done what she could.")

"MARY HATH chosen the good part, which shall not be taken from her." This was Jesus' comment but a few months before the incident of our lesson, on the occasion when Mary "sat at the Lord's feet and heard his words." What she heard from the Master's lips that day greatly influenced Mary to do what she did for Jesus the last week of his life when she saw more clearly than did any of the apostles, the shadow of the cross coming upon him and brought her "flowers for the living", feeling that death at the hands of his enemies would leave her no privilege of honoring his body with the customary burial rites afterward.

Love's Tribute

Love always will find a way. So, "while he was in Bethany in the house of Simon the leper, as he sat at meat, there came a woman having an alabaster cruse of ointment of pure nard very costly; and she broke the cruse and poured it over his head." Merely a few weeks before this supper honoring Jesus in Bethany the whole village rang with the news of Jesus' mighty work in bringing Lazarus, Mary's brother, back to life after death. Now Jesus is about to suffer crucifixion at the hands of his enemies and Mary chooses this method of showing her devotion to him for all he has meant to her and to her family.

If he can carry to the cross the odor of her ointment to speak to him of understanding sympathy

and grateful love in an atmosphere of murderous hate, she will count no cost too great a sacrifice, though it represent a man's wages for a whole year, as indeed it did. Let others call it "waste" if they will. It will speak to him of love, when he will need it most and when none will be at hand to speak their love.

Love's Memorial

And Jesus did understand and appreciate. "Let her alone," he said to those who criticized her. "Why trouble ye her? She hath wrought a good work on me. . . . She hath done what she could; she hath anointed my body beforehand for the burying. And verily I say unto you, wheresoever the gospel shall be preached throughout the whole world, that also which this woman hath done shall be spoken of for a memorial of her." While through the intervening centuries myriads of memorials have crumbled into dust, Mary's memorial shines in undiminished glory wherever the gospel is preached.

Greed's Climax

In horrible contrast to Mary's devotion there emerged the treachery of Judas Iscariot, who, even as he rebuked Mary for her

ESHELMAN TEAM RALLIES TO WIN 13-8 'REC' TILT

Glitt's Food Market Boys Blow Up In Seventh Inning

Charlie Glitt's school boys almost upset the apple cart in the softball league against the Eshelman Feeds, but blew up in the final inning to lose a 13-8 game.

The Glitt food market team, comprised almost entirely of boys still in school, held an 8-6 lead at the start of the seventh frame. Hester, first man at the plate for the Feeds, missed the third strike and John Valentine was easy, grounding to the first baseman. Only one out remained between the Glitt's and a sweet victory, but before that could be counted the Feeds had driven in seven runs.

P. Valentine singled, Leisure tossed, Dumm hit safely to right field and the fielder heaved the ball into the grandstand in an effort to make a play at the plate. Greeno clubbed a home run, Denny walked, Jenkins singled. Mancin was safe on an infield error and Purcell tripled before the final out was made.

The Glitts failed to threaten in their half of the inning.

Support Hurts Davis

Ben Davis, who twirled for the losers, did a good job but was forced out because of faulty support. Beck replaced him, lasting for only a few pitches and Creighton Anderson wound up the hill duties.

Leisure tossed for the winners and pitched good ball in all innings except the sixth when the Glitt crew counted six runs on six hits and an outfield error.

Jenkins with three hits, one a triple, led the batters.

Managers of the eight league teams are to meet in The Daily Herald office Friday at 8 p.m. to discuss important matters.

MARIETTA REGATTA SET FOR JULY 2 CANCELLED

MARIETTA, June 3—(UP)—The Mid-America regatta, scheduled for July 2, has been cancelled, it was announced here today.

Crews from Washington, Harvard, Cornell, Princeton, Columbia, Pennsylvania and Wisconsin had been invited here for the event.

The late date of the regatta did not meet with the favor of many crew coaches as it would have necessitated keeping the oarsmen in training an extra month.

FIVE CLUB RACE HOLDS INTEREST IN ASSOCIATION

COLUMBUS, June 3—(UP)—A five club race that may rival the bitter 1937 campaign when the pennant was decided by the scant margin of one game, was developing in the American Association today.

Kansas City, which has held the lead almost continuously since the start of the campaign, remained in first place and bunched behind it were four heated rivals. St. Paul in fifth place trails the league leaders by but five games, and is only one game out of third place.

Kansas City tightened its grip on the lead last night when it hammered out an easy 10 to 4 triumph over Louisville. Kemp Wicker, late of the New York Yankees, hung up his second straight victory as he limited Indianapolis to four hits in the first game of a double-header and gave Milwaukee a 5 to 0 triumph. The Brewers then came back to sweep the twin bill by taking a seven inning nightcap 5 to 4.

Toledo continued its advance by grabbing a 5 to 4 decision in 10 innings over Minneapolis. Thirty players took part in the long contest, with Toledo using 16 and Minneapolis 14.

St. Paul swept a two game series from Columbus by trouncing the Red Birds 13 to 5. St. Paul combined 14 hits with six Columbus errors to gain the triumph.

ALICE MARBLE HOLDS HOPE OF U. S. IN TENNIS MEET

WEYBRIDGE, Eng., June 3—(UP)—Miss Alice Marble, No. 1 U. S. woman tennis player and sole American survivor in the St. George's hill championships, met Jadwiga Jedrzejowska, Polish titleholder, in a semi-final match today.

Three of Miss Marble's fellow countrymen, including Mrs. Helen Willis Moody, bowed out of the picture yesterday. Mrs. Moody lost to Britain's No. 2 player, Mary Hardwick. Dorothy May Bundy of Santa Monica, Calif., was beaten by Mrs. Esther Miller of South Africa, and Mrs. Sarah Palfrey Fabyan was defeated by Panna Jedrzejowska.

Mrs. Miller and Miss Hardwick meet in today's other semi-final match.

VITT-MEN FAIL TO IMPRESS BUT HOLD LOOP LEAD

Joe McCarthy Says Johnny Allen To Be Among First To Fail

NEW YORK, June 3—(UP)—For a club which has led the American league for all but 15 days since the season opened the Cleveland Indians are held in surprisingly low esteem. The general impression of the current season the Cincinnati Reds pilot is on the lookout for another dependable starting hurler.

McKechnie toyed with the idea that Joe Cascarella, highly successful in relief roles, might be the long-south pitcher but today he had checked the little right-hander off the list of possibilities.

Cascarella was given his first starting assignment of the year here yesterday and was hit hard as the Reds absorbed an 11 to 5 setback at the hands of the Brooklyn Dodgers.

Cascarella breezed along in faultless style for three innings and at the end of that stretched held a 3 to 0 lead. In the fourth however, he blew sky high and the Dodgers drove him from the hill

TWO HILL ACES FAIL TO ASSIST REDLEG OUTFIT

CINCINNATI, June 3—(UP)—With Gene Schott and Al Hollingsworth, a pair of pitchers manager Bill McKechnie had counted on to be members of his "big four", among the major disappointments of the current season the Cincinnati Reds pilot is on the lookout for another dependable starting hurler.

Hollingsworth, Ray Benge and Lee Grissom shared the pitching burden the remainder of the distance and were pummeled by the Brooklyn batters. Hollingsworth gave up seven hits in three and two-thirds rounds, and Grissom two in one inning.

For Cascarella had been driven from the hill, Brooklyn scored once in the sixth and then added two runs each in the seventh, eighth and ninth rounds.

Max Butcher, in the box for the Dodgers, was nicked for three runs in the opening inning, but then settled down and pitched airtight ball the remainder of the way. Cincinnati's last two runs came in the seventh.

PICKAWAY COUNTY 4-H CLUBS PLANNING SUMMER OF MUCH ACTIVITY

JUNE 10 CITED AS FINAL DATE OF ENROLLMENT

Two Camping Sessions To Be Conducted For Youthful Members

Pickaway county 4-H clubs, organization of which will be completed about June 10, are expecting to participate in a full Summer of activity. F. K. Blair, county extension agent, is supervising organization of the various clubs.

To date 23 clubs have been formed and several more will be organized before the June 10 deadline. Enrollment figures will not be compiled until all organizations are complete. Last year 25 clubs were organized.

The county agent said clubs to date include Jackson township, three; Williamsport, three; Wayne, Walnut, Washington and Darby townships, one each; Scioto, Pickaway and Saltcreek townships, and Atlanta, two each; Harrison township, three; the county beef club and the county senior club. Club projects include livestock, crops, farm engineering, poultry, food and clothing.

All members of the 4-H clubs will be eligible to go to camp this Summer. Arrangements have been made for the club members to go to the Ross-Hocking camp at Tar Hollow. Junior members will go to camp the last week in July. Senior groups will go the first week in August. No camp session for Pickaway county members was held last year.

Mr. Blair will go to the camp Saturday and Sunday to attend a district meeting of county extension agents. Arrangements will be worked out at that time for the camping periods.

Members of the county beef club will hold a weiner roast at Dewey park Friday at 6:30 p. m.

THEATRES

AT THE CLIFTONA

Jeanette MacDonald and Nelson Eddy are co-starred in singing roles in "The Girl of the Golden West," which opens at the Cliftona Theatre Sunday for a three day run.

In the adaption of the famous Belasco play, the picture has been enhanced by one of the loveliest musical scores heard on the screen in some time.

Among the numbers that will not be forgotten are "Senorita," "Who Are We to Say," "Shadows on the Moon," "The Wind in the Trees," "From Sun-up to Sundown," "Soldiers of Fortune" and "Mariachi," a lavish Spanish festival that includes Madame Rasch's dancers.

Miss MacDonald plays Mary, the orphaned owner of the Polka Saloon. Jack Rance, gambling sheriff, is in love with her but Mary falls in love with Ramirez, romantic bandit whom she believes is a young army officer. A jilted sweetheart betrays Ramirez to Rance but the bandit escapes, wounded, to Mary's cabin where he is captured. Mary promises to marry Rance if he frees Ramirez and a very ingenious climax reunites the lovers.

Contributing outstanding performances in a distinguished supporting cast are Walter Pidgeon, Leo Carrillo, Buddy Ebsen, Leonard Penn, Priscilla Lawson, Bob Murphy and Olin Howland.

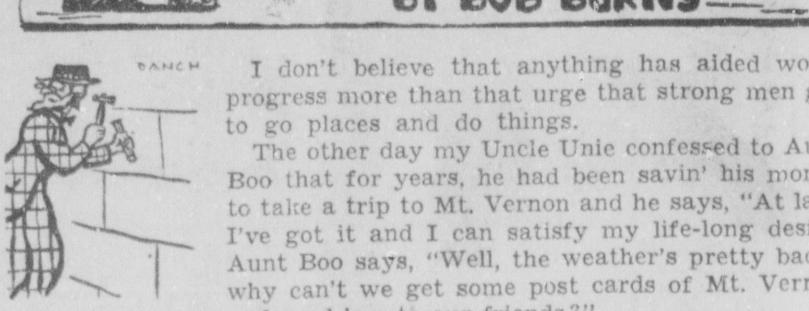

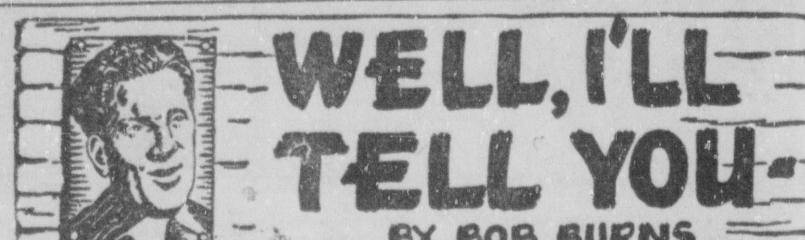

The new soft bodice, which is sometimes achieved from deeply-cut armholes, worn with a straight skirt, gives the hips a slender appearance.

I don't believe that anything has aided world progress more than that urge that strong men get to go places and do things.

The other day my Uncle Unie confessed to Aunt Boo that for years, he had been saving his money to take a trip to Mt. Vernon and he says, "At last, I've got it and I can satisfy my life-long desire. Aunt Boo says, "Well, the weather's pretty bad—why can't we get some post cards of Mt. Vernon and send 'em to our friends?"

Uncle Unie scoffed at the idea. He says, "Men don't travel that distance for such a silly thing as sending post cards!" and she says, "Well why do you want to go to Mt. Vernon?" Uncle Unie says, "Well, for one thing I want to scratch my name on George Washington's tomb."

Birth Record Necessary To Obtain Security Cash

Development of the Federal old-age insurance program under the Social Security Act has given added importance to the record section of the old Bible, baptismal certificates, and other papers carrying birth dates.

With the size of the average payment of lump-sum claims for old-age insurance benefits increasing steadily, C. C. Darby, manager of the Social Security Board's field office at Columbus, has been instructed to inform claimants that when a claim is for over \$100 proof of age will be required, except in the case of a claim made by the heirs or estate of a wage-earner who has died.

Lump-sum payments amount to 3 1/2 percent of wages received since January 1, 1937.

Ordinarily, where the amount is \$100 or less, Mr. Darby said, proof would be required only when the birth date as stated in a benefit application is not the same as the date shown by the Board's records.

The Social Security Board, recognizing the difficulties in supplying proof of birth, since many states have not required certificates until recent years, has provided that when an applicant cannot obtain evidence without difficulty and expense he will be directed to file for consideration Bible, family, business, fraternal, school, governmental, or other similar records.

Lump-sum benefits are paid to covered workers who reach 65, or to the relatives or representatives of estates of those who die. These are the only claims now being paid. Beginning in 1942, monthly checks will be sent to those who qualify for Federal old-age insurance retirement benefits.

Guerrilla Attacks Harass Invading Forces

BY UNITED PRESS

Japan swung the full power of her empire into the conquest of China today with appointment of Lieut. Gen. Seishiro Itagaki as war minister.

In the South, relays of Japanese airplanes bombed the shattered city of Canton—despite a formal British protest against bombardment of civilians in China and Spain—in an effort to cut railroad lines feeding Chinese armies.

In the central Yangtze valley, Japanese boosted their armed forces to 250,000 in preparation for an attack on the Chinese capital at Hankow, which already is being partially evacuated.

In the North, Japan's 500,000 soldiers recovered from the danger of too rapid advance and opened mass attacks on the Kaifeng defenses after storming the city of Kiksiien. In the Kaifeng-Lanfang sector along the Lunghai railroad, the Chinese troops fought back bitterly against the invaders' efforts to move southward toward Hankow.

War Proving Costly

But these powerful and effective military thrusts were still far from the "quick victory" sought by an economically and financially strained Japan. The cost of every gain on the Northern front has been many times greater than anticipated in men and money. And even as the Japanese pounded at Kaifeng, Chinese guerrilla troops began slashing at the invaders' bases near Peiping, Paoing and

Concrete bottoms for the digestion tanks at the city's disposal plant at the rear of the Container Corporation plant are now being poured. Pouring concrete in one has been completed and workmen expect to start on the second Saturday.

Forms are being erected for pouring the walls of the lower floor of the control building. The upper part of the building will be brick. Between 30 and 35 men are employed on the project.

NEW ANTI-GERMAN ACTION PROTESTED

BERLIN, June 3—(UP)—Dr. Ernst Eisenlohr, German minister to Czechoslovakia, has protested to Foreign Minister Kamil Krofta against a new alleged anti-German action, the semi-official D. N. B. news agency reported today.

Reports of the new protest came in conjunction with publication of a list of 47 alleged acts charged to Czechoslovakia between May 1 and June 1, including beatings of minority Germans and German citizens, shootings and frontier violations.

Eisenlohr, the news agency said, "sharply warned the Czech foreign minister concerning the forcible removal of the German flag from the home of a German citizen named Exner and the mistreatment of a German citizen, Scnepf."

The Exner incident was said to have occurred at Niederullersdorf.

Scnepf was said to have been mistreated at Maehrisch-Schoenberg.

The foreign office spokesman said that Eisenlohr made two separate protests.

"The protests were sharply worded but not in a threatening tone," he said. "They did not demand a reply."

He emphasized that Eisenlohr pointed out to the Czechoslovak government that Germany considered such incidents serious.

The so-called "anti-German" acts formed a long list published by the official agency.

BILL TO PERMIT CITIES' TAXATION READY FOR VOTE

COLUMBUS, June 3—(UP)—The house taxation committee by a 14 to 6 vote today reported favorably the Almendinger bill enabling cities to levy for poor relief purposes until July 1, 1939, taxes that may now be imposed only by the state.

It is the intention of house leadership to bring the bill to a vote on the floor this afternoon but the committee action, although favorable, showed clearly the strong opposition to the measure.

Several members voted to put the bill before the house with the expressed understanding to have the full membership decide its fate. A two-thirds vote to suspend the rules will be required to bring the bill up for immediate consideration in the house.

"Passage or defeat of this bill will largely determine the future relief policy of this state," Rep. Samuel Almendinger, D., Marion, author of the bill, told the committee.

"Its purpose is to give self help to cities that have exhausted all other resources. It will be used only as a last resort and can be used only for relief."

He was seized yesterday when he walked into the bank carrying two dynamite sticks and bottles which he said contained nitro-glycerine but which really contained mouth wash.

De Elbe stepped up to the window of Teller Robert H. Dentinger. He shoved a note under the grill, a teller gave him \$850.

A search of his room revealed four more sticks of dynamite in a suitcase. Percussion caps and wadding for firing also were found.

The bank is located one the ground of one of Buffalo's largest office buildings.

Police said the prisoner admitted having served a term in Huntsville, Tex., prison for automobile theft, and in Jefferson City, Mo., for cattle rustling.

F. D. PUTS OKEH ON FUNDS FOR HOUSING WORK

WASHINGTON, June 3—(UP)—President Roosevelt revealed today that he has approved loans totaling \$57,000,000 for slum clearance projects under the federal housing authority.

The money will go to Allentown, Pa., Baltimore, Birmingham, Ala., Buffalo, Cleveland, Columbus, O., Detroit and Pittsburgh.

Mr. Roosevelt explained that the monthly rent per room on the new projects will range from \$3.75 to \$4.25.

He added that thus far \$357,000 has been earmarked for similar projects in a good many cities and that to date loan contracts had been approved involving \$111,000,000.

The president said that housing projects involving approximately \$50,000,000 will be approved each month through the balance of the year.

FUNDS RELIEVE MONEY TROUBLE IN TWO SCHOOLS

Muhlenberg Able To Pay All Salaries; Scioto Still In Debt

OTHERS IN GOOD SHAPE

All Districts Permitted To Borrow Cash

Financial difficulties of two Pickaway county school districts were greatly relieved Friday in a distribution of funds by the state department of education.

Muhlenberg township's teachers, bus drivers and all bills will be paid in full through the distribution, Joe McKinley, clerk of the township board, said. Salaries for one month were due employees at the close of the school term and payment had to be withheld until the distribution fund was received.

Another district facing financial difficulty is Scioto township. Salaries for about three months are due school employees. The distribution will cover about half of the indebtedness.

These two districts were the only ones in the county having financial troubles under the foundation program. All other districts have met salaries. Circleville schools have been able to meet all payroll.

Borrowing Permitted

Checks were received Friday by the county school office covering an amount equivalent to 50 percent of the Feb. 28 certification. The districts were authorized to borrow an amount equivalent to the full quarterly settlement on May 31.

The new authorization increased the total foundation deficit in the state to \$16,413,000 compared with \$12,000,000 a year ago. Dr. David H. Sutton, school finance director, said. The department of education authorized districts to issue \$10,983,532 in notes in anticipation of the second quarterly allocation.

FRENCH COMBAT SYRIAN STRIFE IN PLEBISCITE

PARIS, June 3—(UP)—A state of seige was declared today in the Sandjak of Alexandretta, partly autonomous district of French-ruled Syria, as a result of disorders created by Arabs and Turks in the autonomy plebiscite campaign.

Civil authorities will turn over power to military authorities Saturday, it was announced here. The state of seige was declared to "restore calm," it was officially announced.

Delegates Garreau, of the Syrian high commission of France, was recalled by the French foreign office and Captain Quiru, chief of police, resigned. The secretary of the League of Nations commission left for Geneva by airplane to ask for new instructions.

FOUR COUNTIANS WIN AWARDS AT CAPITAL RITES

Oakley Turner of Atlanta Receives School Citation In Sports, Acting

THREE GIRLS LISTED

Two Get Numerals For Work In Singing, Other Hockey

Four students from Circleville and vicinity, Oakley Turner, Miss Anna Marie Fellmeth, Miss Louise Fischer, and Miss Jessie Dresbach, are among more than 400 students receiving awards for achievement in various extra-curricular activities at Capital university during the annual Award Week.

Each extra-curricular activity that annually receives a grant from the College Board of Activities, also recognizes its individual members by an award which may be a certificate, pin, key, cup, or plaque. Presentations are made for an entire week during the regular daily chapel period.

The biggest division of awards went to those participating in athletics. The musical organizations were next in number. Nearly three-fourths of the student body receives some sort of an award during the course of the week.

Turner is the son of Mr. and Mrs. C. O. Turner, Atlanta. He received the Varsity C award in football, and also the Masquers award for service in the student dramatic organization.

Miss Fellmeth, daughter of Mrs. R. P. Fellmeth, 135 Union Street, received the Masquers award, and also an award for service in the Junior Chapel Choir.

Miss Fischer, daughter of Mr. and Mrs. George A. Fischer, R. F. D. 5, received hockey numbers.

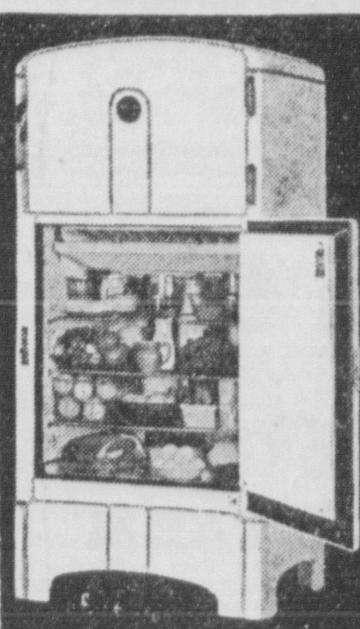

Miss Dresbach, daughter of Mr. and Mrs. Warner L. Dresbach, 495 E. Franklin Street, received the award for service in the Junior Chapel Choir.

Does Remodeling Pay?

BEFORE REMODELING

**\$420 =
for
Repairs**

**\$4000 =
SALE
VALUE**

For every dollar invested in remodeling or repairing a home, the owner may reasonably expect it to increase \$2.38 in value. A \$3,000 home normally increases in value to \$4,000 by making \$420 worth of repairs.

FOR EVERY dollar invested in remodeling a home, the owner may expect his property to increase \$2.38 in value. That is the determination of a study just completed by the statistical bureau of the Ohio Association of Retail Lumber Dealers.

The property remodeling survey was made under the supervision of Charles A. Jones, general manager of Home Owners Loan Corporation, and included 1,074 properties reconditioned by H. O. L. C. during fall months last year. Before reconditioning these homes were appraised at \$5,688,920. A total of \$336,930 was spent improving them, after which a reappraisal showed that their value had increased to \$4,489,845.

An average of \$314 was expended per house, with a resulting increase in value of \$747, or a return of \$2.38 per \$1.00 of investment.

With lower prices prevailing for building materials and with financing charges reduced to a severe minimum, 1938 presents the most favorable time to remodel in recent year. Frequently, no down payment at all is required.

Come in and let us explain.

OPEN LETTERS

TO PUMPKIN SHOW DIRECTORS

GENTLEMEN: Elimination of night parades and the dog show from the Pumpkin Show would be good business. Crowds at night make it difficult to handle parades properly and the entry lists have been small in recent years. Last year the Saturday night parade was broken into several sections by crowds, and judging was almost impossible. Operators of the rides and concessions complain about the amount of business the night parades cost them. They contend that when the largest crowds are on the streets they are drawn away from their establishments by lengthy parades. Reducing business of the rides and shows results in lower receipts to the show society, which receives a percentage on admissions. Cost of the dog show last year considering the number of entries and interest shown makes that department one that should be eliminated. Losses on last year's show should convince directors that some reduction in department costs is necessary. The suggestion that an admission charge be made for the horse show, an expensive department, should be given serious consideration. Visitors may be willing to pay a small fee for the horse show.

TO PICKAWAY COUNTIANS

RURAL RESIDENTS: Announcement that the county book truck will continue to operate throughout the Summer months on the same schedule as used during the school year should be pleasing to rural residents. In addition to the regular school and village stops, visits will be made to other rural centers. These stops will be announced from time to time by Daniel Pfoutz, librarian. The success of the book truck has been outstanding. Every week more rural residents have taken advantage of the service. Watch for the truck's visit in your community.

TO MOTORISTS

RIVERS: Circleville schools closed today. Hundreds of children are now on vacation. Naturally many of them will be playing in streets and alleys during the Summer months. Circleville has no municipal playgrounds where they will be safe from traffic. Plans for a playground project have been made through W. P. A. but so far it is not under way. Drive carefully and protect those youngsters. They do not think as quickly as an older person. Give them the benefit of any doubt in an emergency. Police are to be complimented on the safe-driving campaign they have conducted. I hope they enforce traffic

World At A Glance

—By—
Charles P. Stewart

IF YOU WOULD ask a political economist what is causing the present renewed unrest in the world, he probably would answer, "Price readjustments."

Every country in the world is feeling it.

The commodity price index in the United States has gone 10 points already this year. It is 35 percent under 1937, 40 percent under 1936. That is a severe readjustment. But some other countries have had it worse—countries that are not wealthy enough to "stabilize" farm prices with huge grants.

This readjustment may become increasingly severe during the next several months. Then when prices seem to have reached a "natural" level, buying will make its appearance on an ever-increasing scale—and this will lead us out of the depression, so we are told.

But without a remedy.

EVER A SOLUTION?

Will there ever be a solution? Countries with all forms of government suffer—the richest and the poorest. Yet the solution does lie in political-economic reform, many of those who have made a study insist.

A "clearing of the political

regulations more rigidly this Summer, especially on speeders, for the protection of children.

CIRCUITEER.

TO C. F. ZAENGLIN

DEAR SIR: I am sure the watch presented you through contributions from the parents of your music pupils will always remain one of your most cherished possessions. You have performed outstanding service to Circleville schools and the community. Every resident of the city is proud of the fine musical organizations under your direction. I wish you continued success in your work.

CIRCUITEER.

TO TARLTON RESIDENTS

FRIENDS: Your Memorial Day homecoming was an outstanding success. It is pleasing to know you will continue to hold the event annually. Homecoming creates a spirit of friendship and unity in a community. No other community activity fills that position. Other Pickaway county communities have conducted successful homecomings for many years. There is no reason why the Tarlton event should not continue to grow and create more interest annually.

CIRCUITEER.

TO BAND MOTHERS

FOLK: The effort made by several persons in collecting funds with which to honor C. F. Zaenglein with a gift is commendable. Now, I would suggest that these same persons who did such a good job should try to organize a Band Mothers Club. In many cities the size of Circleville where musical interest is as high as it is here, mothers of band members have organized and are doing much good. Various functions are planned during the year and general interest is kept high throughout the Summer when band and orchestra activities are at a standstill. Such a unit could be formed with very little effort.

CIRCUITEER.

TO WENDELL BOYER

SCHOOL MAN: Congratulations are due to you and to the Deercreek township board of education for your election as superintendent of the Williamsport school. You have made rapid strides in the world of education since you came to Pickaway county, and I believe the Williamsport job is just another step toward even greater success. The Deercreek township school system is rated as one of Pickaway county's best and I hope that your leadership will continue it on its course. The Williamsport board deserves plaudits for appointing you to the position. Washington township has been well-served by your administration.

CIRCUITEER.

TO CITY COUNCIL

OFFICIALS: Several weeks ago when some of you were campaigning against the 10-year street light ordinance, the promise was made that immediate steps would be taken to obtain a boulevard lighting system that would be up-to-date and satisfactory to all. Only once since the referendum was completed has the matter been mentioned in a council session and that was in only a brief suggestion that something be done. You gentlemen who comprise the council know as well as any persons that Circleville's up-town lighting system is not sufficient. Something should be done about it.

"How can you keep the youngsters on the farm?" queries an old rural reader. Well, pappy, a good start might be made by converting the old barn into a night club.

With the approach of national flag day it's a good idea to take out the flag and look at it even if just as a reminder that this country is made up of 48 great states—and not a single concentration camp in any one of them.

Mrs. Ella Hornbeck Heads Garden Club

Dinner Meeting Conducted Thursday

Mrs. Ella Hornbeck was chosen president of the Pickaway County Garden club at a dinner session, Thursday evening. The slate for the coming year includes Mrs. T. O. Gilliland, vice president; Mrs. Howard Jones, historian; Mrs. G. G. Campbell, secretary; Mrs. Donald H. Watt, treasurer and Miss Mary Wilder, librarian.

The meeting attended by 35 club members was held at the Wardell party home. Table decorations of pansies, roses and baby breath were furnished and arranged by Mrs. Glenn Nickerson and Mrs. Mack Noggin.

Mrs. F. K. Blair, president, conducted the business meeting and after the election of officers plans were discussed for Summer trips through the hill sections of this and nearby counties. Informal talks were made by members who attended the recent flower show sponsored by the Chillicothe garden clubs.

It was decided to have open air meetings during the Summer months. The newly elected officers will take their places at the September meeting.

Mrs. H. A. Sayre, Mrs. Nickerson and Miss Florence Dunton were members of the committee in charge of the pleasant affair.

Marriage Announced

Announcement has been received of the marriage of Miss Mary L. Dresbach of Circleville to Mr. Ralph W. Spence of Urbana. The ceremony was performed December 29, 1937 by the Rev. C. J. Croxall of the First Methodist Episcopal church, Richmond, Ind.

Those witnessing the ceremony were Mr. and Mrs. Harry H. Dohner and Miss Ann Gay of West Milton, friends of Mr. and Mrs. Spence.

Mr. and Mrs. Spence are making their home at 114 W. Ward street, Urbana.

U. B. Missionary Society

The Women's Missionary society of the Brethren church held an interesting session Thursday afternoon in the community house. It was opened with a short business period in charge of Mrs. J. H. Trimmer, president. Miss Viola Woolever was program leader, her subject being, "Rebuilding the Rural Church in America".

The devotions in charge of Mrs. Charles Richardson and Miss Nelle McCollister were concluded with group singing. A poem, "Our Country Church", was given by Mrs. Trimmer. The last chapter of the study book "Rural America" was read by Mrs. M. C. Kirkwood, the topic being "Rural Groups with Special Needs". Mrs. A. H. Morris closed the program with the poem "I am the Country Church".

A brief resume of the recent Missionary convention in Westerville was given by Mrs. Ralph Long.

The next meeting of the organization will include a picnic supper at the home of Mrs. Morris, Circleville township, July 7. Mrs. T. C. Harper will be program leader at this session.

Crumley-Dawson Wedding

Members of the immediate families and the attendants, Miss Madge Dawson, sister of the bride, and Mr. Forrest H. LOT OF HULLED PEAS TAKEN TO ASHVILLE PLANT

Boiler, Other Machinery Being Tested For Year's Work

MORE NOTES OF NEWS

Meeting Called On Monday To Discuss Celebration

By S. D. FRIDLEY
Phone Ashville 79

If any hard luck comes along to the pea cannery or to any of the many helpers on the job, it can't be blamed on "Friday" because we put one over on this hard luck day and made a good start Thursday afternoon and evening. A fine and choice lot, to us, of hulled peas was brought up, from the Circleville vine, and is being canned here as a start to test out the many parts of the machinery.

The new boiler installed this last Winter and early spring is showing itself equal to the task of supplying an abundance of live steam and the peas put into the cans this time will stay put. And the old reliable engineer, Prince Moore, is back on the job again and as dependable as ever. George Duvall is another "old timer" with the cannery for years and years and knows every inch of the place all the way through. There may be others who have been there equally long with Prince and George but we don't happen to have them in mind.

Drill Wheat Checked
Was down to the County Seat today for a short time, going by way of 23 and returning over the Creek Road. Wanted in particular to see how my "new-fangled" drill wheat was showing up at the Lyman Bell farm. It is looking fine, but the grains are not sufficiently developed yet to tell the number in a bushel. But we'll keep tab on it and see what happens later on at harvest time.

Ann Telephones
Announcement was made Friday that R. F. Stebleton, Muhlenberg township school superintendent for the last three years, has accepted a similar position in the South Solon schools of Madison county and will assume his duties on Aug. 1.

Mr. Stebleton is a native of Lith-

opolis. He served as mayor of the village when just out of college and was known as the youngest mayor in the state.

He served as principal of Muhlenberg school for three years before becoming superintendent. Mr. Stebleton is a graduate of Capital university. He will receive his Master of Arts degree in school administration from Ohio State university in August.

FUND TOTAL LISTED

COLUMBUS, June 3—(UPI)—The Ohio unemployment compensation fund on June 1 totaled \$71,514,293, State Treasurer Clarence H. Knisley reported today. Of this amount, \$52,269,923 was received by the treasury previous to Jan. 1, 1938.

Deadline News
The "deadline" date for candidate filing, is next Friday, June 10, at 6:30 o'clock. Wayne Brown, Ed. Wright and Earl Hoffman for County Commissioners and Miller Beckett for auditor were at "Headquarters" Thursday getting the "low down last word" on politics.

Personal Notes
Mr. and Mrs. Elmer Steele of Philadelphia, visited with his brother Mr. Walter Steele, Thursday.

Mrs. E. B. O. Ett, who has been ill at her home for some time, is slowly recovering.

Mr. and Mrs. L. M. Poling and daughters Edna and Betty spent Sunday on a fishing trip at Buckeye Lake.

Mrs. Ruth Bigum and her mother-in-law from Lancaster visited Mrs. E. B. O. Ett, Wednesday, June 1.

Notes of News
"Holding their own or slowly getting better" is the word which comes from the half dozen sick in the community. . . . The Village Council is to be in session this evening. Bids on the public toilets at the park will be opened and contracts let, if possible. . . . Everyone in the Ashville Community interested in the success of the "Fourth of July Big Day" at Ashville, is urged to be at the new

CONTRACT BRIDGE

THE SINGLETON HABIT
 WHEN THE bidding has given no clear clue to the side suits in the declarer's and dummy's hands, a singleton is a pretty risky lead. Isn't that suit more likely to be declarer's side length than any other suit in which you hold more cards? Of course, if you have the ace and another trump, or the king and a couple of others, you may later be able to stop the trump run and then throw your partner in the lead for a ruff. But otherwise, you may be taking an unsound chance with your singleton.

The diamond 3 was then led to dummy's 6 and followed by the club 5. When West did not cover, North played the 8 and then laid down the club Q, which dropped West's J. The club 4 to the 7 was the next play, and on the club 6 the heart 8 was discarded. Instead of being set, East's defense allowed North to make one overtrick, doubled.

Tomorrow's Problem

(Dealer: West. East-West vulnerable.)

The opening bid on this deal was made by West. His 1-Spade bid was overcalled by North with a double. East put in a 2-Spade call which West took to 4-Spades. North ventured 5-Diamonds, which East doubled.

East was in the lead and made

(Dealer: North. Neither side vulnerable.)
 How should the bidding proceed on this deal?

If you get your favorite white blouse too blue after washing it, and a thorough soaking in cold water and soap and doesn't help, soak it in a mixture of three quarts of hot water and three table-spoons of vinegar, says Phyllis Kennedy of the screen.

PICKAWAY COUNTY 4-H CLUBS PLANNING SUMMER OF MUCH ACTIVITY

JUNE 10 CITED AS FINAL DATE OF ENROLLMENT

Two Camping Sessions To Be Conducted For Youthful Members

Pickaway county 4-H clubs, organization of which will be completed about June 10, are expecting to participate in a full Summer of activity. F. K. Blair, county extension agent, is supervising organization of the various clubs.

To date 23 clubs have been formed and several more will be organized before the June 10 deadline. Enrollment figures will not be compiled until all organizations are complete. Last year 25 clubs were organized.

The county agent said clubs to date include Jackson township, three; Williamsport, three; Wayne, Walnut, Washington and Darby townships, one each; Scioto, Pickaway and Saltercreek townships, and Atlanta, two each; Harrison township, three; the county beef club and the county senior club. Club projects include livestock, crops, farm engineering, poultry, food and clothing.

All members of the 4-H clubs will be eligible to go to camp this Summer. Arrangements have been made for the club members to go to the Ross-Hocking camp at Tar Hollow. Junior members will go to camp the last week in July. Senior groups will go the first week in August. No camp session for Pickaway county members was held last year.

Mr. Blair will go to the camp Saturday and Sunday to attend a district meeting of county extension agents. Arrangements will be worked out at that time for the camping periods.

Members of the county beef club will hold a weiner roast at Dewey park Friday at 6:30 p. m.

THEATRES

AT THE CLIFTONA

Jeanette MacDonald and Nelson Eddy are co-starred in singing roles in "The Girl of the Golden West," which opens at the Cliftona Theatre Sunday for a three day run.

In the adaption of the famous Belasco play, the picture has been enhanced by one of the loveliest musical scores heard on the screen in some time.

Among the numbers that will not be forgotten are "Senorita," "Who Are We to Say," "Shadows on the Moon," "The Wind in the Trees," "From Sun-up to Sundown," "Soldiers of Fortune" and "Mariachi," a lavish Spanish festival that includes Madame Rasch's dancers.

Miss MacDonald plays Mary, the orphaned owner of the Polka Saloon. Jack Rance, gambling sheriff, is in love with her but Mary falls in love with Ramerez, romantic bandit whom she believes is a young army officer. A jilted sweetheart betrays Ramerez to Rance but the bandit escapes, wounded, to Mary's cabin where he is captured. Mary promises to marry Rance if he frees Ramerez and a very ingenious climax reunites the lovers.

Contributing outstanding performances in a distinguished supporting cast are Walter Pidgeon, Leo Carrillo, Buddy Ebsen, Leonard Penn, Priscilla Lawson, Bob Murphy and Olin Howland.

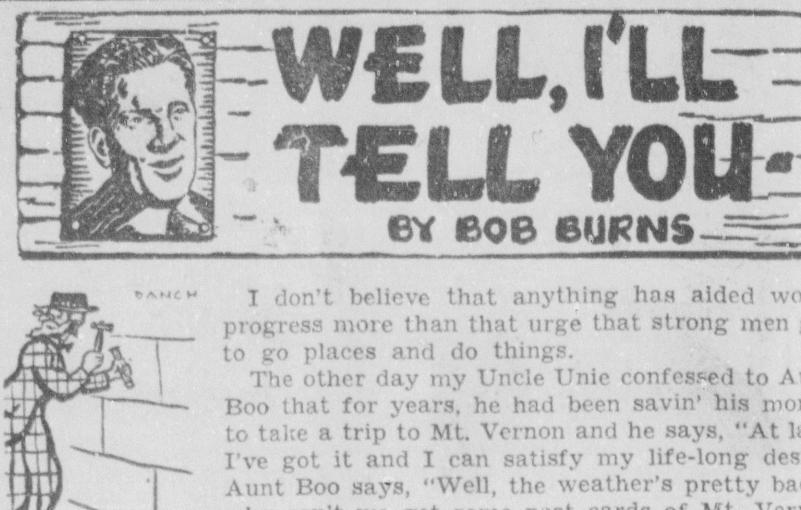

The new soft bodice, which is sometimes achieved from deeply-cut armholes, worn with a straight skirt, gives the hips a slender appearance.

WELL, I'LL TELL YOU.
BY BOB BURNS

I don't believe that anything has aided world progress more than that urge that strong men get to go places and do things.

The other day my Uncle Unie confessed to Aunt Boo that for years, he had been savin' his money to take a trip to Mt. Vernon and he says, "At last, I've got it and I can satisfy my life-long desire, Aunt Boo says, "Well, the weather's pretty bad—why can't we get some post cards of Mt. Vernon and send 'em to our friends?"

Uncle Unie scoffed at the idea. He says, "Men don't travel that distance for such a silly thing as sending post cards!" and she says, "Well why do you want to go to Mt. Vernon?" Uncle Unie says, "Well, for one thing I want a scratch my name on George Washington's tomb."

Birth Record Necessary To Obtain Security Cash

Development of the Federal old-age insurance program under the Social Security Act has given added importance to the record section of the old Bible, baptismal certificates, and other papers carrying birth dates.

With the size of the average payment of lump-sum claims for old-age insurance benefits increasing steadily, C. C. Darby, manager of the Social Security Board's field office at Columbus, has been instructed to inform claimants that when a claim is for over \$100 proof of age will be required, except in the case of a claim made by the heirs or estate of a wage-earner who has died.

Lump-sum payments amount to 3½ percent of wages received since January 1, 1937.

Ordinarily, where the amount is \$100 or less, Mr. Darby said, proof would be required only when the birth date as stated on a benefit application is not the same as the date shown by the Board's records.

The Social Security Board, recognizing the difficulties in supplying proof of birth, since many states have not required certificates until recent years, has provided that when an applicant cannot obtain evidence without difficulty and expense he will be directed to file for consideration Bible, family, business, fraternal, school, governmental, or other similar records.

Lump-sum benefits are paid to covered workers who reach 65, or to the relatives or representatives of estates of those who die. These are the only claims now being paid. Beginning in 1942, monthly checks will be sent to those who qualify for Federal old-age insurance retirement benefits.
